

**UNDERGROUND SPRINKLING SYSTEM/SUMP PUMP DISCHARGE LINE
ON PUBLIC RIGHT-OF-WAY**

If a permit is issued for a sprinkling system/sump pump discharge line, I agree with the following responsibility.

I, the undersigned, have applied to the City of Gardner, Kansas for a permit to install a lawn sprinkler system/sump pump discharge line which is partially or completely within the public right-of-way located at _____, Gardner, Kansas.

The City will not be responsible for maintenance or replacement or repair of said system placed in the public right-of-way should this installation conflict with future street widening, repairs, reconstruction or with the installation or maintenance of a franchised or public utility. It will be the property owner's responsibility to maintain this sprinkler system/sump pump discharge line within the public right-of-way and relocate same in case of conflict with street or utility repairs or improvements, including damage from public or private vehicles.

If this property is sold, this understanding shall be passed on to the next owner, and new owner shall comply with this agreement.

Executed and agreed to this _____ day of _____, 20_____.

(If property is owned by more than one person, this document must be signed by all owners.)
